

Notes:

¹If a 2-port PCI USB card is installed, the SmartCard Reader, USB Port on USB I/O Extreme Board, and USB Game Dongle will connect through a USB Hub.

²Part numbers 115-0069-01 and 115-0081-01 can be replaced with 115-0084-01. (Do not use 115-0081-01 with 115-0084-01.)

³Some cabinets have a dual PCB force-feedback steering system, PCB part #s COEM-6040-245 and COEM-6052 with ribbon cable.
